The Long Islander Series (TLIS)

AVAILABLE MODELS INCLUDE:

1. **SWB76ML** - E Glass - 7 feet, 6 inches, medium-light (**ML**), 12 to 20 lb. class line, 3/8 to 1½ oz. lure weight, moderate-fast action, used in shallow depths with 4 to 6 oz. sinkers. It is supplied with black EVA grips.
2. **SWB70M** - E Glass - 7 feet, medium (**M**), 15 to 25 lb. class line, 1/2 to 2 oz. lure weight, moderate-fast action. This rod is as close as one can get to a do it all rod for around Long Island; Fluke, Porgies, Sea Bass, Tog, Blues and Bass. The tip will easily handle up to 8 and 10 oz. sinkers. It is supplied with black EVA grips. *A Best Seller!*
3. **SWB70M-W** - E Glass - 7 feet, medium (**M**), same as #2 except that the rod blank is **white**. The white blank enables the use of nylon thread and gives you, the customer, more colors from which to choose. This model also comes in colored EVA grips to match the underwraps.
4. **SWB70MH** - E Glass - 7 feet, medium-heavy (**MH**), 15 to 30 lb. class line, 3/4 to 3 oz. lure weight, moderate-fast action. This rod is being used for deep water Tog, diamond jigging and 3 way buck tailing Stripers and Blues, and 10 to 14 oz. sinker weights. It is supplied with black EVA grips. *A Best Seller!*
5. **SWB70MH-W** - E Glass - 7 feet, medium-heavy (**MH**), same as #4 except that the rod blank is **white**. The white blank enables the use of nylon thread and gives you, the customer, more colors from which to choose. This model also comes in colored EVA grips to match the underwraps.
6. **Solid fiberglass** - 6 feet, 2 inches, medium-light (**ML**), party boat special, 12 to 20 lb. class line, moderate-action, and is the rod used on the [Celtic Quest](#). They catch Fluke, Sea Bass, Porgies, Blues, Stripers and large Blackfish. It is supplied with black EVA grips. A very durable rod.
7. **Solid fiberglass** - 6 feet, 2 inches, medium-light (**ML**), same as #6 except that the rod blank is **white**. The white blank enables the use of nylon thread and gives you, the customer, more colors from which to choose. This model also comes in colored EVA grips to match the underwraps.
8. **MB843** - Graphite/Fiberglass - 7 feet, medium-heavy (**MH**), 10 to 17 lb. class line, 1/4 to 3/4 oz. lure weight, fast action. This rod is excellent for Fluke buck tailing. It is supplied with cork grips.
9. **MB843-W** - Graphite/Fiberglass - 7 feet, medium-heavy (**MH**), same as #8 except that the rod blank is **white**. The white blank enables the use of nylon thread and gives you, the customer, more colors from which to choose. This model also comes in colored EVA grips to match the underwraps.
10. **SB843** - Graphite/Fiberglass - 7 feet, medium-heavy (**MH**), 10 to 17 lb. class line, 5/16 to 3/4 oz. lure weight, fast action. This rod is excellent for lighter lure Fluke buck tailing. It is supplied with cork grips.

In addition to the standard ten configurations, *Special orders* are available. Check with Captain Neil.
